RE: American Recovery Act. Compliance per Section 1605 of arra-09

Products: Equipment Manufactured by Titan Air Inc.

This letter is notification that the products Titan Air manufactures at our facility located at 13901 16th Street Osseo, Wisconsin, United States of America, are in compliance with section 1605 of ARRA-09 requirements with regards of determining whether substantial transformation has occurred in the USA.

Titan Air is a family owned manufacturer of commercial and industrial heating, ventilating and cooling equipment. Titan Air also manufactures custom lifting devices and performs custom metal fabrication for a number of customers throughout the United States.

Sincerely,

Greg Hageness
President
